1. Students and Volunteers

1.1. We often have students and volunteers working in the Kindergarten with the children who wish to gain firsthand experience.

1.2. Students and volunteers are always supervised. Occasionally, individual students aged 17 and over who are on long-term placements may be included in the ratios if we are satisfied they are competent and responsible.

1.3. All students, volunteers and staff will be subject to an enhanced CRB check.

1.4. As part of their college work, students may wish to observe or work with specific children. Permission will always be sought from the parents/carers before this happens.
